
THE \$3 LUXURY CANDLE

How to Make Clean, Non-Toxic Soy & Beeswax
Candles for a Fraction of Retail Cost.

By Candice.

SAMPLE / PLACEHOLDER COPY - NOT THE FINAL EBOOK

This file exists so you can test the purchase and download flow.
Replace it with the real exported ebook PDF before launch.

This is a placeholder.

You are looking at the sample PDF wired into the download buttons on thank-you.html. It proves the delivery path works end-to-end.

Before launch:

1. Export the finished ebook as a PDF.
2. Replace downloads/the-3-dollar-luxury-candle.pdf with it.
3. For real protection, deliver the file through your store's gated delivery (Stripe + delivery / Gumroad / Lemon Squeezy), not as a public static file anyone could guess.

What the real book covers

Part 1 - Foundations: wax, wicks, fragrance, vessels, starter kit

Part 2 - Safety: handling hot wax without burning the house down

Part 3 - The Core Method: your first soy candle, step by step

Part 4 - Troubleshooting: the complete fix-it matrix

Part 5 - Recipes: 20+ signature scent blends

Part 6 - From Hobby to Income: pricing, labeling, where to sell

About 120 pages. About 30,000 words. Made for total beginners.
